Unparalleled Property Services

April 19th, 2024

BOARD OF DIRECTORS

Regular Board Meetings are held each month, on the 2nd and 4th Wednesday at 2:00pm. Meeting notices are posted on the bulletin board in the lobby of the Town Hall. Meeting agendas, minutes and Zoom login details can also be found on the Island Walk website, www.islandwalk-hoa.com/

President - Luis Cantarero - Luis4IslandWalk@gmail.com

1st Vice President - Teresa Frick - TFrickIW@gmail.com

2nd Vice President - Becky Gibson-Laemel
bek27IWBOD@yahoo.com

Secretary - Anne Golino - anne73bod@gmail.com

Treasurer - Michael Goonan - mgoonan76@gmail.com

Director - Kerry Kneitel - KKneitelIW@gmail.com

Director - P.J. Stakelum, III - PJSiiibod@gmail.com

Director - Angie Striebel - angieonbod@gmail.com

Director - Michael Ehlers - MMehlers49@gmail.com

The next regularly scheduled Board of Directors meeting is scheduled for Wednesday, April 24th at 2:00pm. The agenda will be posted and shared once all topics have been confirmed.

Committees

New Liaisons were appointed to each Committee at the Board Workshop held on Wednesday, April 3rd. A full list of the liaisons is included below.

Architectural Control (ACC)	Mike Ehlers, Kerry Kneitel
Amenities	Becky Gibson-Laemel, Anne Golino
Communications	Becky Gibson-Laemel, Angie Striebel
Compliance	Teresa Frick, Kerry Kneitel
Elections	Mike Ehlers, PJ Stakelum III
Finance	Luis Cantarero, Mike Goonan
Fitness	Becky Gibson-Laemel
Hearing	Teresa Frick, Kerry Kneitel
Infrastructure	Luis Cantarero, Anne Golino, Mike Goonan, Kerry Kneitel
Lakes	Mike Ehlers, Becky Gibson-Laemel, PJ Stakelum III
Landscape	Mike Ehlers, Becky Gibson-Laemel, Anne Golino
Lifestyle	PJ Stakelum III, Angie Striebel
Pools	Anne Golino
Racquet Sports	Becky Gibson-Laemel, Angie Striebel
CARO	Mike Ehlers, Anne Golino, PJ Stakelum III
CONCUR	Anne Golino, Angie Striebel

How can I get involved?

Island Walk has several committees which contribute to the success of the community. Want to learn who you can get involved? Contact the Management office and express your areas of interest. Staff will be happy to share the upcoming meeting schedule so you can attend the next meeting and learn how you can be a part of the journey.

Maintenance Fees Due

As a reminder, the Quarter 2 assessment was due April 1st. A late payment results in a late fee that is added to the outstanding balance if your maintenance fees are not paid in full within 30 days of the due date.

Arubas	\$1,360.83
Capri	\$1,445.36
Oakmont	\$1,564.13
Carlyle	\$1,640.59

Juniper Celebrates earth day

COMMUNITY TO CELEBRATE EARTH DAY**

6155 Towncenter Cir # 101, Naples, FL 34119
East of the Main Town Center Campus, behind the Putting Green

ISLAND WALK NAPLES

Thank you

Thank you to all those who attended the Coffee with Castle this week, sponsored in part by Bonness Concrete Restoration!

Project Manager Weekly Report April 19th

UPDATES!!!

VALLEY GUTTERS & SIDEWALKS

Bonness is a little over half way finish with the community. They plan on continuing with Valentia & making their way back to IW Blvd!

Valley Gutter & Sidewalk Replacement will be wrapping up sooner then you know it!

*****Management is aware of root piles, unset paver, irrigation head & line breaks and has addressed this with respective vendors!
Thank You for your patience!******

Valley Gutter & Sidewalk Replacement Project

Start Date: Thursday, April 4th

Expected Completion Date: Late May 2024

Starting on Bermuda Ln and work clockwise around the community

This construction project is progressing at a good pace. As of Thursday, concrete restoration should be completed through Upolo. Root debris will be removed every few days. And the broken asphalt will be repaired.

The upcoming streets are:

Valentia

Whidbey

Exuma

Yakobi

The easiest way to know if your driveway will be affected is to look for the red paint lines on the valley gutters in front of your home. If your driveway lies between the paint lines, then your access to your driveway may be affected. This project involves removing concrete, and intruding tree roots, and pouring new concrete. The goal is to remove trip hazards on sidewalks and stabilize the valley gutters. The equipment includes an excavator, a loader, pick up trucks, dumpster boxes & daily concrete delivery trucks.

During the construction:

- * Driveways with the red paint lines will be blocked overnight.
- * Please do not park your vehicles
- * in your garage, as the driveway will be blocked
- * in your driveway
- * in the street across from or near the red paint line driveways
- * Please do not approach the work areas or the workers.
- * Please direct any questions or concerns to
Castle Group Property Management

During business hours (Mon-Fr, 9am-1pm; 2pm-5pm) call (239) 513-0045

Off business hours call (800) 337-5850.

Submit your comments through the electronic form housed on the Island Walk website.

You will find the form appropriately named under the "Contact Us" header.

Your cooperation during this infrastructure improvement project is appreciated!

TENNIS!!!

Ritzman's crew has been taking care of business since Monday 4/15! Tennis Court Replacement for Courts 5,6, & 7 is coming along. Ritzman currently done with demo of surrounding fence, will continue clearing all areas in preparation for new installs. Tennis courts 1-4 continue to remain open during construction of courts 5-7. This project should have a duration of approximately 7 weeks and a week's notice will be given before the courts are ready for play.

Project Manager**

Collier County Backflow Replacement Project

Collier County began replacing back flow pipes & the associated in-ground meter boxes on January 16th. The project is funded through water and sewer user rates. This is phase 2 of the project that was initiated by the county. The team is currently working on Jarvis Lane and Kingston Way, and anticipate to be finished with these streets by the end of April.

Phase 3 will begin in early May, as the team continues to work clockwise around the community, ultimately concluding their work on Towncenter Cir.

The county will remove all the plant material near the pipes down to bare earth. A clearing of about 3 feet around the pipes and box is required for the replacement work to take place. If your pipes are heavily screened by vegetation, you will see a dramatic change. **Do not replant within 18 inches of the new equipment. It must remain clear so that the county workers have access.** The new pipes are brass with a new handle, and the new meter boxes are white/gray.

Water will be shut off for 1-2 hours while your backflow pipes and meter boxes are changed out. The County onsite crew will attempt to notify you via a knock on the door before turning off your water.

Infrastructure Updates

In an effort to better regulate traffic at the main gate, a new flashing stop sign will be installed near the entrance in the next few weeks. This stop sign will be equipped with solar powered LED flashing lights and will replace the existing stop sign at Island Walk Circle. The new sign will provide a much needed reminder to visitors and residents alike, that a full stop is required after passing through the main gate, as they enter our community.

It also bears repeating, all stop signs within the community, are there for a reason, and that reason is to STOP!

There is also a 25MPH speed limit throughout *most* of the community for everyone's safety.

Please do your part to help keep our community safe.

OLD CLASSIC BENCHES

An Infrastructure Committee Update

2 FOR SALE

Selling fast! Don't miss out, act now.

WE HAVE SOLD 18 BENCHES SO FAR.

One old bench was moved to the front of the Hair/Nail Salons

Another old bench was destroyed, as the frame was broken

PROJECT COMPLETED \$2,762.55 UNDER BUDGET

Shaun VanWhervin

Project Manager, Castle Group

LIMITED OFFER

\$50 Check or Credit Card

Sold in 'As Is' Condition, First come, first served, No Returns

Bring your check or credit card to Castle Service Window in the Town Center.

Homeowners name must appear on check or credit card.

Castle Maintenance Team will deliver (not install) to your Island Walk home

Homeowners can not choose a specific bench

No Memorial Benches are impacted currently

We have no space to store these – if we cannot sell them internally,
we will sell them to the general public.

*Important to note – these much-loved benches need a little TLC:
currently rusting & fading.... But who isn't*

A WORD FROM THE ACC

The ACC rules do not address benches directly, but the following rule applies:

XIV. Lawn/Garden Art—Landscape ornamentation, including sculpture, pottery, garden art, statuary and decorative bird baths are permitted on private property within Island Walk. All display items must be located **within planting beds or on paver surfaces and may not be free-standing in any grassy area.** No items shall interfere with normal lawn or garden maintenance by the HOA contractor.

Reminders from your Compliance Officer

As we approach the summer months, we want to remind everyone of the regulations regarding hurricane shutters within our community.

We understand that many residents may be planning to leave the community for the summer season. With that in mind, it is important to note that hurricane shutters are not permitted to be placed over windows or door openings until June 1st. ACC approved shutters or panels may be placed over window and door openings during hurricane season (June 1st through November 30th) without limits so long as they are painted white or are made of a clear material.

Please help us to minimize compliance concerns by abiding by this requirement. I thank you for your cooperation.

Respectfully Submitted by:
Liam Geoffroy, Compliance Officer

Golf Cart Rules

Attention Island Walk Residents:

Please be aware of these Island Walk Golf Cart Rules and Regulations:

- Residents who own or lease golf carts to be driven in Island Walk shall register such golf carts with the Association, must sign a waiver and indemnification agreement with the Association, and must provide proof of liability insurance on an annual basis.
- All drivers of golf carts must have a valid automobile driver license.

Compliance Requirements

In order to use the Resident's Entry Lane, a resident must have a valid bar code that can be read by the scanner.

If the bar code has degraded for any reason, the resident must purchase a new bar code or use the Guest Entry Lane.

Marked Law Enforcement vehicles are permitted to park on the streets overnight. All other vehicles are not permitted to park overnight (11 pm - 6 am), this includes the Town Center and Aruba areas.

Lakes Committee Update

Last fall we had installed new pressure gauges and relief valves on all the compressors to tell us where we were having the highest pressure, and therefore the most concerns with the compressors. The task force has determined compressors 11A, 17A, 17B, 24-25B and 29-30A were of the highest concern. This covers 5 compressors but 6 lakes where the pressure is the highest.

We presented five proposals to the board covering several diffusers and three remote manifolds for a cost of \$5,054.66, which will come out of our budgeted reserves. This will give us a good test to see if we are on the right track. The installations should be completed within 30 days.

Littoral Plantings: In the period between 2017 and 2020 we installed over 30,000 feet of Dredgesox for erosion control. This was an expensive procedure, and although it worked to control the erosion, Collier County and South Florida Water Management District recommended planting littorals as a much cheaper and effective option.

A Stormwater Pond acts as a sink which captures the stormwater runoff from the surrounding area with many of the pollutants like excessive nutrients found in fertilizers. Aquatic plants in the littoral zone can improve water quality by removing excess nutrients and pollution from stormwater runoff. Planting specific species of aquatic plants improves water clarity and prevents algae blooms. Plants also stabilize the banks to prevent erosion and provide habitat for wildlife such as fish, birds and terrestrial species. We budgeted for these plantings as part of our shoreline stabilization reserve budget.

This year the Lakes Committee wants to concentrate on middle and upper littoral plantings. We do not plan on adding many lower littoral plantings such as Spikerush or Pickleweed. We are monitoring these lower plantings to make sure they do not extend too far out into the water.

Respectfully Submitted,
Dick Norwood - dicknorwood@gmail.com

Alligator Facts

According to Florida Fish and Wildlife, there are approximately 1.3 million alligators living in the state of Florida. [Alligators](#) have inhabited Florida's marshes, swamps, rivers and lakes for many centuries, and are found in all 67 counties. In recent years, Florida has experienced tremendous human population growth. Many residents seek waterfront homes, and increasingly participate in water-related activities. This can result in more frequent alligator-human interactions, and a greater potential for conflict.

Although many Floridians have learned to coexist with alligators, the potential for conflict always exists. Serious injuries caused by alligators are rare in Florida, but if you are concerned about an alligator, call FWC's toll-free Nuisance Alligator Hotline at 866-392-4286. The FWC will dispatch one of its contracted nuisance alligator trappers to resolve the situation. Remember, never feed an alligator and keep your distance if you see one, and keep pets on a leash and away from the water.

Landscape Announcements

Leaf and acorn clean-up is resuming for a second pass around the community and will be continuing for the next couple weeks. There may be interruptions due to wet weather. Juniper will blow the acorns out of the yard and vacuum them. Please do not disrupt this work.

They are moving clockwise through the community.

SOD: The sod replacement program on residential streets will resume in May through the fall when we expect the rest of the community to have replacement sod where needed on streets through Island Pond. Please do not overwater new sod. Please do not place any inflatable ornaments on the new grass or any other objects that will kill the grass!

Dead & Dying AC unit plant replacements are ongoing. The homes being addressed during this phase are: 6044 & 6064 Andros; 5925 Bermuda; 5405, 5417, 5449 & 5473 Freeport; 3046 Futuna; 2968 Gilford; 2845 Hatteras; 5343, 5206, 5029 Hawkesbury; 2726, 2746 Island Pond; 3560 IW Circle; 5033 & 5063 Jarvis; 4796 & 4779 Martinique; 4620 & 4628 Navassa; 3915 Valentia; 3582 Zanzibar.

Dead & Dying Holly Phase 4 replacements are also underway. The homes being addressed during this phase are: 3456 Anguilla; 5239 Hawkesbury; 2741 Island Pond; 4730 Navassa; 4541 Ossabaw; 6264 Towncenter Cir.

If you have questions, please contact the Landscape Committee at islandwalklandscapecommittee@gmail.com

Landscape Schedule Updates

Please see below the updated completed cycles for this week and planned cycles for next week:

Shrub Pruning – Cycle 3 of 9

Trim Crew #1 Trimmed Town Center through Anguilla

Trim Crew # 2 Trimmed Town Center through Inagua

Trim Crew #3 Trimmed from Valentia through Ossabaw

Anticipated Cycle 3 Finish Date: 4/18/2024

Bed Weeds- Cycle 4 of 12 Started 4/1/2024

Spray Crew #1 Cleaned from Town Center through Zanzibar

Spray Crew #2 Cleaned from Town Center through Guadeloupe

Anticipated Cycle 4 Finish Date: 4/30/2024

Mowing- Cycle 9 of 42

Crew Mowed the whole property this week. Cycle 10 is scheduled for next week.

Completion Cycle 8 Finish Date: 4/11/2024

Debris Pickup- All acceptable debris picked up throughout the community as of 4/9/2024.

For debris to be picked up it needs to be placed at the street **prior** to the day of pick up; West side placed Sunday, East side placed Monday.

Fertilizer/IPM- Cycle 4 of 12

Turf treated for Insects, Fungus, and Weeds. Shrubs treated for Insects and Disease.

Shrub Fertilizer 2 of 3 Finish Date 4/1/2024

IPM Shrub Cycle 4 Anticipated Finish Date: 4/30/2024

Irrigation- Cycle 4 of 12 Started 4/1/2024

Wet check 4 has started and is completed from Ossabaw to Hawkesbury and from Freeport to Drummond.

Anticipated Cycle 4 Completion Date: 4/30/2024

Arbor- Tree Trimming

- D&D AC Shrubs #264252 Scheduled to Start 4/15/2024
- Spring Annuals Rotation #265537 Scheduled to Start the Week of 4/29/2024

“No Service Poles” have been installed on front and rear corners of the homes. If the homeowner removes them, and service is performed on their home, it will be excused.

“No Service Poles” have been installed on front and rear corners of the homes. If the homeowner removes them, and service is performed on their home, it will be excused.

Our Landscape Partners-Lets Connect not Complain

JUNIPER WILL HAVE A REPRESENTATIVE AT THE TOWN CENTER TO HELP YOU WITH LANDSCAPE, IRRIGATION AND ARBOR ORDERS ON WEDNESDAY, MAY 1ST, 2024, FROM 9AM-NOON

Please use the Castle 800 number 800-337-5850 after business hours and on weekends to report any emergencies.

There is a Juniper Kiosk that will allow you to place a work order in the Town Center lobby.

**You can also place a work order by emailing Juniper at:
islandwalk@juniperlandscaping.com
or call 239-561-5980**

You will get faster service by submitting a work order with Juniper. If you need help, come to the Town Center when Juniper's rep will be there to help you.

Welcome New Residents!

If you recently purchased a home in Island Walk (during the last 6 months) and did not get an opportunity to attend a new resident orientation, then we strongly encourage you to attend our next one scheduled for February.

Our Welcome Coffee orientations provide new residents with key information, an ability to meet other new residents and an opportunity to have their questions answered.

Members of the Board and our management company will be present to provide you with valuable information and any assistance you may need as a new owner. You will receive a new resident information packet, and light refreshments will be served.

The gathering lasts approximately 1 hour.

DATE: Saturday, May 18th

TIME: 10:00 a.m.

LOCATION: Antigua room, Town Center

For planning purposes, please RSVP to Dawn Gibson at dgibson@castlegroup.com if you plan to attend.

If you cannot attend the upcoming gathering, let us know as our new resident orientations are held monthly, with the next meeting being Saturday, June 15th.

From your Communications Committee

Island Walk Photo Share is back! So it's time to get out your camera and start snapping pictures of our beautiful community. Selected photos will be published in The Islander

Photo submission deadline is the 20th of each month. The categories are Beauty in IW, Fun in IW, Wildlife in IW and Pets of IW. Limit 1 photo per category each month. To submit photos, send your name, street, email or phone number to IWphotoshare@yahoo.com. Be sure to indicate which category you wish the photo to be considered for and if it is a pet, be sure to include pet's name and a bit about her/him. We look forward to seeing all your beautiful photos!

PLEASE NOTE: By submitting a photo, residents acknowledge and agree to allow Island Walk Naples and Castle Management, as an agent of Island Walk Naples, the use of their photos in any IW publication, including the Island Walk website.

Sponsored by the Communications Committee

Upcoming Pop-up Shops Sale Dates

Stop by the next Pop Up Shop to pick up the latest & greatest styles of swag!

Thursday, April 25th, 2-5pm, Post Office
Wednesday, May 2nd, 2-5pm, Post Office

Management Office Updates

Your comments, questions and concerns are important to your Board and the Management Team.

To help provide another vehicle for submitting your feedback, a drop box has been added in the main lobby. There are feedback submission forms available in the pocket on the side of the drop box. We look forward to reading the comments provided, and understand what is going well, what can be improved and what could be considered in future conversations.

Lost & Found

We have many items currently sitting in the lost & found. Some of those items include:

- Sunglasses
- Jewelry
- Watches
- Water bottles
- Money

For any item being claimed, unless there is a clear identifier for who it belongs to, we will require a description of the item, or dollar amount in the event it is money being claimed, before the item will be released.

Comcast Escalation Procedure

What are resident's options when they have contacted the Comcast Center for Excellence (800/934-6489) several times and the same problem with Comcast TV or Internet still exists?

1. It is important the resident has contacted Comcast at (800/934-6489) at least twice and that Comcast attempted to fix the problem twice, but the problem still exists.
2. The resident should send an email, with a subject line of "Comcast Escalation" to the front desk attendant (XXXX.com) or visit the front desk with the following information:

Resident's Name:

Address:

Phone number:

Email Address:

Description of Problem:

Frequency of Problem:

Dates problem was called into Comcast: (800/934-6489)

Did Comcast Visit Home?

3. The resident's email will be forwarded to a special 2nd level Comcast escalation center.
4. Comcast will contact the resident within 2 business days, usually by phone, and determine a plan of action.
5. If the resident isn't contacted by Comcast within 2 business days or Comcast failed to resolve the problem the resident should contact the IW front desk.
